

NARCOTICS ANONYMOUS
Wichita, Kansas
Literature Committee

19 August 1979

TO: Bo Sewell
391 Cranfill Street
Marietta, GA. 30060

Dear Bo,

Some concerned Wichita N.A. members recently formed a literature committee. It presently consists of Cliff H., Anne W., Mark Z., Julie W., and myself Ladell M., (others are welcomed). Most of these people will be in Atlanta. So far, we have discussed goals, setting up funds, spreading the word, etc... I will enclose copies of our minutes and forward any input we can gather in the future.

We have a problem with acquiring the Literature now approved and have discussed different ways and means of stock pile-ing literature so that it will be on hand. We have decided to have a separate fund for literature, composed of donations from members. We hope to buy some small quantities at the World Convention. We will then sell this Literature to our group and other groups in this region. As literature is sold we can reorder through the fastest means available. Hopefully we will be able to get more literature quickly.

It looks good at this end for the Wichita Literature Conference. We have established a building for the Conference, and have already found people who will furnish accomadations for the people who will be attending from out of town. We hope to see you here, if at all possible.

We would appreciate any feed-back or help you can offer. We definately want to see this work. A Big Book for N.A. sure sounds like a big order, but together we can do it.

We have free access to a copier, so you could cut one or two of us off of your mailing list if you need to because of mailing costs. This will also help us in running copies of unapproved literature to be circulated in our area.

Please keep us posted.

Love,

Anne W.
Chair Person
Literature Committee

Ladell M.
