

Talked \bar{c} Bill Beck in July 1984 —

main points —

- ① Jimmy was the founder (in fact) of N.A. — founder "in-fact" vs. founder in name.
- ② Jimmy told Bill that the idea came from Gill VonHerchel (see 1st meeting attendance) who had an Addicts Anonymous group in Pacoima.
- ③ Bill attended meetings in terminal Island (Red) Penit in 1956 & 1957 where they had _(over) 2 podiums

One podium was for Alcoholics & had A.A.'s 12 steps on it and the other podium was for addicts & had 13 steps on it.
