

NARCOTICS ANONYMOUS

AUGUST 71

Narcotics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from narcotics. The only requirement for membership is a desire to stop using. There are no dues or fees for N.A. membership; we are self-supporting through our own contributions. N.A. is not allied with any sect, denomination, politics, or institution; does not engage in any controversy, neither opposes or endorses any causes. Our primary purpose is to stay clean and help others to achieve sobriety.
